

EMI STOP CORP.

榮益科技 創新容異 研發容藝 智慧演繹

Battery connector

Benefit :

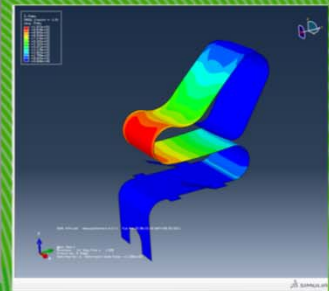

- CAE simulation
- Stable normal force
- Various contact height
- High performance of mating
- Cost saving
- Small size
- Custom designed

Application

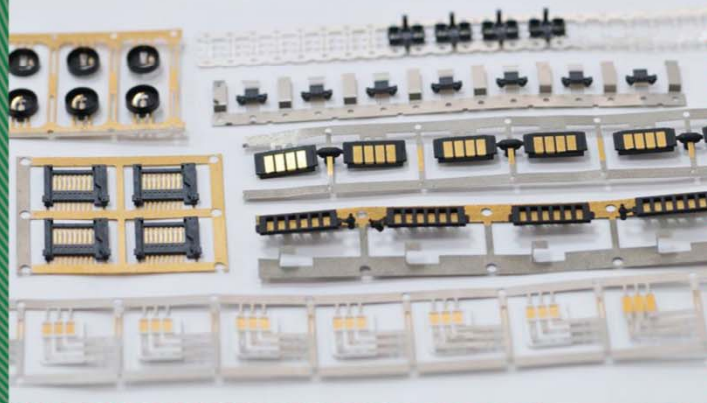

- Mobile phones
- PDA
- Hand-held scanners
- Hand-held GPS units
- Hand-held Smart card readers

CAE analysis

Insert molding

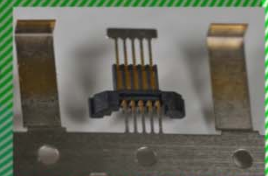

Benefit :

- Added strength
- Connector various material
- Increases product reliability
- Mold-flow analysis and service
- Parts consolidation
- Reducing assembly and labor

Application

- Automotive
- Consumer
- Electrical
- Custom designed
